

Annual Digfest Company Pouring Tables

This year we are doing something new that will provide your company an opportunity to gain exposure at the Annual Digfest Event on Saturday, June 11 from 4 – 10:30PM.

Participating companies will receive signage at the pouring station and are responsible for staffing that station during the entire event. You must have a minimum of two people at the pouring station at all times.

What do you get?

1. Company signage at the table
2. **Can wear your company logo wear???**
3. Opportunity to connect with the local breweries, distilleries and attendees of the event.

If your company is interested please fill out the information below and return to the TriVillage Chamber Office. This is a first come, first serve and know this will sell out quickly.
